I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNAVEM II FOR THE PERIOD 1 JUNE 1991 TO 31 OCTOBER 1992

A. Period from 1 June to 31 December 1991

1. By resolution 696 (1991) of 30 May 1991, the Security Council decided to entrust a new mandate to the United Nations Angola Verification Mission (UNAVEM) (henceforth UNAVEM II) for a period of 17 months beginning 1 June 1991. By resolution 45/269 of 27 August 1991, the General Assembly decided to appropriate to the Special Account an amount of US$ 49,467,000 gross, inclusive of the amount of $10 million authorized by the Advisory Committee on Administrative and Budgetary Questions under the terms of General Assembly resolution 44/203 of 21 December 1989, for the operation of the Verification Mission for the period from 1 June to 31 December 1991. It further decided that there should be set off against the apportionment among the Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $334,100 for the period from 1 June to 31 December 1991 and their respective share in the projected surplus of $1,421,658 gross ($1,351,258 net) in respect of the period from 3 January 1989 to 31 May 1991.

2. The amounts so appropriated by the General Assembly were apportioned among Member States in accordance with the provisions laid out in section I C below and are shown in section IV below.

B. Period from 1 January to 31 October 1992

3. Under the terms of its resolution 46/195 of 20 December 1991, the General Assembly decided to appropriate to the Special Account an amount of $42,876,720 gross ($42,062,000 net) for the operation of UNAVEM II for the period from 1 January to 31 October 1992.

4. Additionally, it was decided that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to UNAVEM II until 31 December 1991 of the new Member States should be treated as miscellaneous income to be set off against the apportionments authorized as indicated in paragraph 3 above. Total miscellaneous income amounts to $8,789 (see sect. VI below).

5. These amounts have now been apportioned among Member States for the period 1 January to 31 October 1992, and are shown in section V below.

C. Apportionment of the costs of peace-keeping operations

6. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

7. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

8. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

9. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNAVEM II. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 33 new Member States, including 7 new Member States in 1991 (see sect. VI below), and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/246 of 21 December 1990 and 46/195 of 20 December 1991. The percentage shares shown in sections IV and V below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1989-1991, adopted by General Assembly resolution 43/223 A of 21 December 1988 and adjusted by resolution 45/256 B of 21 December 1990, and the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991, respectively.
